The Cold War was a period of geopolitical tension between the United States and the Soviet Union and their respective allies, the Western Bloc and the Eastern Bloc, which began following World War II. Historians do not fully agree on its starting and ending points, but the period is generally considered to span the 1947 Truman Doctrine (12 March 1947) to the 1991...

US Navy Personnel in World War II: Service and Casualty

This First World War curriculum is aimed at getting students to think beyond causes, major battles and ramifications of the conflict. The textbook and lecture should lay out a political, diplomatic, and military overview before or while teachers implement pieces of this curriculum.

The First World War in Global Context | History Teaching

Oct 19, 2021 · Is the world entering a new cold war? Our answer is yes and no. Yes if we mean a protracted international rivalry, for cold wars in this sense are as old as history itself. Some became hot, some didn’t: no law guarantees either outcome. No if we mean the Cold War, which we capitalize because it originated and popularized the term.

World History Portal | Britannica

The inheritance of the Cold War continues to influence world activities. After the closure of the Soviet Union, the post–Cold War world is broadly considered as unipolar, with the United States the sole remaining world power. The Cold War demarcated the political role of the United States in the post–World War II world.

World War II for Kids – Ducksters

The Cold War was an ongoing political rivalry between the United States and the Soviet Union and their respective allies that developed after World War II. This hostility between the two superpowers was first given its name by George Orwell in an article published in 1945. Orwell understood it as a nuclear stalemate between “super-states”: each possessed weapons of...

World History – INSIGHTSIAS

Origins of World War II. No one historic event can be said to have been the origin of World War II. Japan's unexpected victory over czarist Russia in the Russo-Japanese War (1904–05) left open the door for Japanese expansion in Asia and the Pacific. The United States U.S. Navy first developed plans in preparation for a naval war with Japan in 1890.
